Dear Brothers and Sisters in Christ,

The Metro Milwaukee Lutheran Mission Society (MMLMS) invites you to their annual meeting at Our Redeemer, Wauwatosa which will take place on Thursday, December 18th at 6:30pm. Light refreshments will be served.

The MMLMS, formerly known as the Greater Milwaukee Federation, recast its mission and vision last year which resulted in a change to a mission society structure. The mission society's purpose is on the building up and empowerment of our inner city and suburban churches, social agencies and ministries as they work together to promote the ministry of Christ within the inner city, thru the sharing of our time, talents and treasures.

This new structure has allowed us the ability to be more flexible in the way that we operate, focusing on our three areas of expertise with every ministry program we oversee and manage:

- Administrative accountability and generation of funding
- Reducing redundancy in both form and function of ministry
- A flexible system for feedback and evaluation of our programs.

Please come and hear about our work within the inner city of Milwaukee with African Immigrants and Ex-offenders along with our new outreach programs that will be starting in the first quarter of 2009 in over 15 churches within the city of Milwaukee. Further information on these programs can be assessed at www.mmlms.org. We will also be asking for a slight change to our constitution at this meeting

We have opportunities for service within these ministries and are also looking for new ideas for 2009 and beyond. We ask if you are interested in coming, that you please give us a call at 414-476-5884 and leave a message or send an email to director@mmlms.org. We look forward to seeing our old friends and acquaintances at this meeting or if you are new to the MMLMS, we welcome you and look forward to meeting you.

God's Richest Blessings.
